Kilroy Architectural Windows, Inc.
283 Greene Avenue
Brooklyn, New York 11238

Dear Mr. Krobot:

I want to personally thank you for the Kilroy crew who installed our new Traco windows. To have 99.9% of our tenants be excited about the new windows and the men who installed them is a milestone. Mike Mullen, Derrick, Andre, and Danny were exceptional in attitude, respect for our tenants, cleanliness and workmanship. They lived up to the fine Kilroy name and reputation.

May you, your family and staff have a Happy Thanksgiving and a blessed holiday season.

Sincerely,

Lucille M. Moran
